Creating Your Employer Account

Please complete the employee registration by following the steps shown on the platform.

If you need to register several employees, **the best option is to create one business account** using your official company email, which allows you to pay quickly with your **company card, Apple Pay, or Google Pay** and ensures that **all invoices are delivered directly to your company email** with correct billing details. When creating your account, enter your full company information, including your company address, and during payment you will be asked for your **company name, company address**, and any required billing details, which will be added automatically to the invoice. After the payment is completed, the **invoice will appear instantly in your account** and you will also receive a **payment confirmation email**.

Employees emails

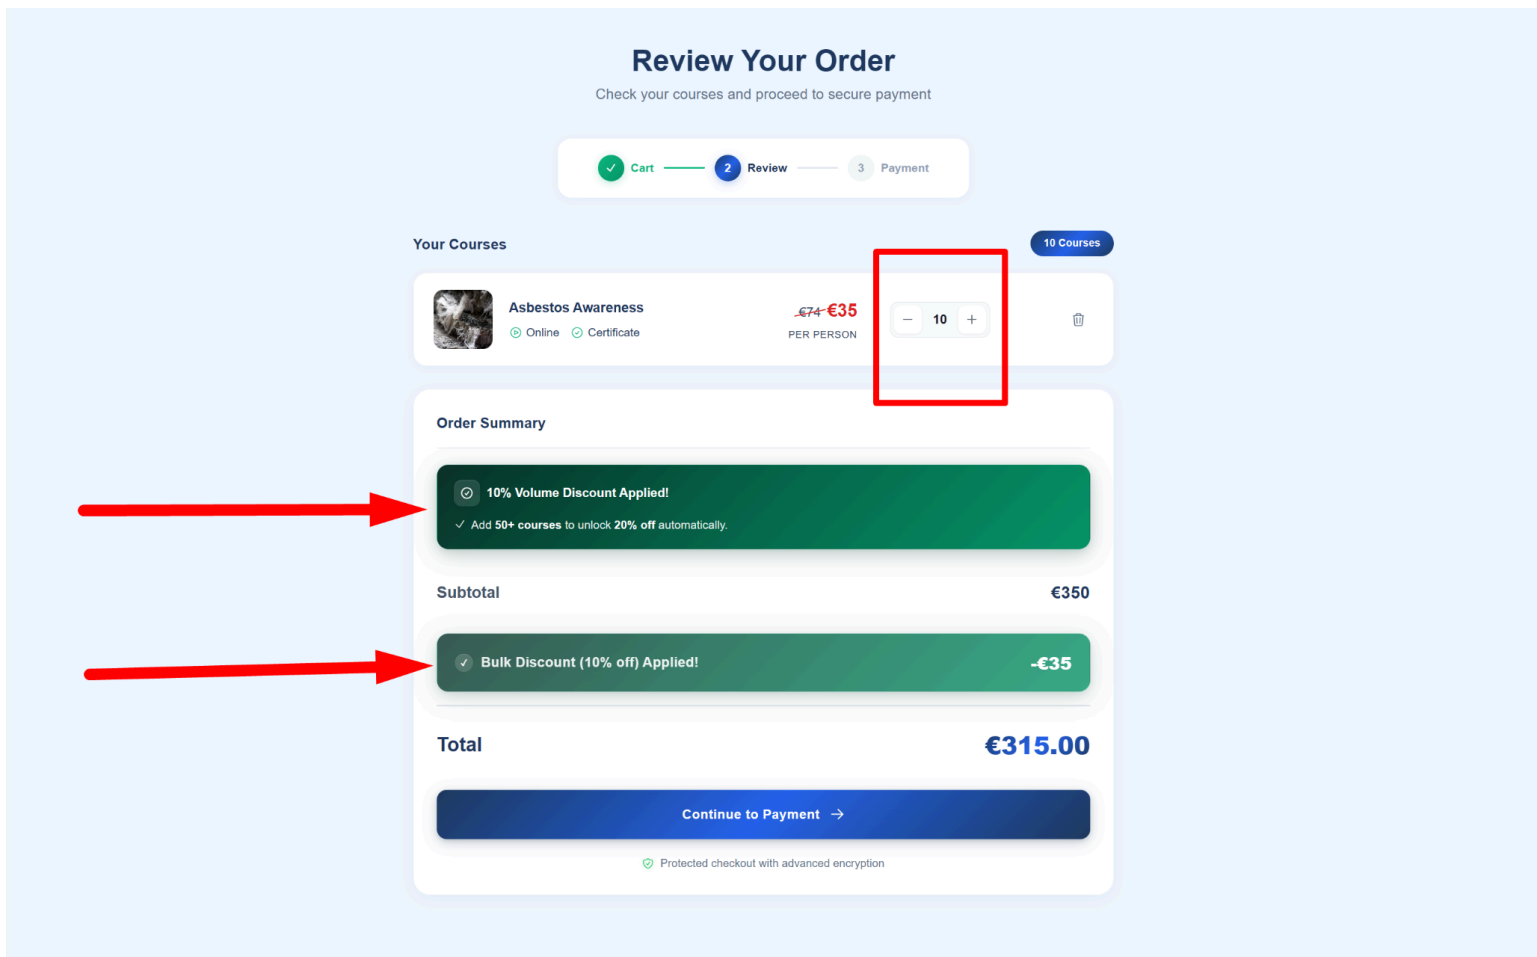

Employees can be registered using either their personal email addresses or company email addresses created by you. Both options work perfectly on our platform, so you can choose whichever is more convenient for your organisation.

Purchasing Courses

We recommend purchasing the courses first, so you can assign them instantly to your employees whenever needed. The courses never expire, so you can use them at any time.

Bulk Purchase Discount

Save more when you buy more 🎉 **get 10% off** when you add **10 or more courses** to your cart, **and 20% off** when you **add 50 or more**, with the system **automatically** applying the correct discount in your cart based on the number of courses added.

Registering Employees

To register an employee, navigate to the **'For Employers'** section on bar menu on our website, then click on **'Register your employee'**

Fill in the form with your employee's details and make sure the email is correct. They will receive an email with their **login details** and a password they can change at any time.

To avoid any issues, please make sure you enter your employee's **correct full name** and **email address** and that you assign the right course to the right person. Once a course is sent, it cannot be changed or reassigned.

The screenshot displays the 'Register your employees' form on the Irish Asbestos Awareness website. The form is titled 'Register your employees' and includes the instruction: 'Fill in the details below and click "Add Employee". We'll email the login credentials instantly.'

The form contains two input fields:

- EMPLOYEE'S FULL NAME:** A text input field with the placeholder 'First Name Last Name'. A red arrow labeled '3' points to this field.
- EMPLOYEE'S EMAIL ADDRESS:** A text input field with the placeholder 'name@example.com'. A red arrow labeled '4' points to this field.

Below the input fields is a blue button labeled 'Add Employee' with a checkmark icon.

The sidebar menu on the left includes the following items:

- Home
- Profile
- My Courses
- For Employers** (highlighted with a red arrow labeled '1')
- Employer Dashboard
- Register employee** (highlighted with a red arrow labeled '2')
- Instructions
- Invoices
- Certificates
- Help us improve

The 'Information' section below the form provides the following steps:

- 1 After registering all employees, you can access the **Employer Dashboard** from the menu bar at any time to review all your submitted registrations.
- 2 To send courses to employees for study, open the **My Courses** page from the menu bar and click **Send Course**. A list of all registered employees will appear.
- 3 If your employee cannot find the login email, even after checking **inbox** and **spam**, there is no need to worry - the account is already active. Ask them to open the **Login page**, click **Reset Password**, and enter their registered email to get a new link in a few seconds. Please make sure the **email address** and **full name** were added correctly, since these details can't be edited later. If either was entered incorrectly, the only fix is to delete the account and create a new one with the correct details. Thank you for always taking a moment to double-check the details you enter.

Course Allocation and Access

Once you finish the registration and purchase the required courses, you can start **assigning them to your employees**. They can **log in with the details sent to their email** and begin training anytime. If they cannot find the email, they should **check their spam folder** or use **Forgot Password** to reset their login. Every time you assign a course, **our system sends your employee an email** informing them that a new course was added to their account and is **ready to study**.

The screenshot shows the 'IRISH ASBESTOS AWARENESS' dashboard. The left sidebar contains navigation options: Home, Profile, My Courses (highlighted with a red arrow labeled '1'), For Employers, Invoices, Certificates, and Help us improve. The main content area is titled 'Asbestos Awareness Courses' and includes a sub-header 'MY COURSES'. Below this is a table with the following columns: NO., COURSE, STATUS & CERTIFICATE, and ACTIONS. The table lists five 'Asbestos Awareness' courses, each with a 'Purchased' status and 'Send' and 'Start' buttons. A red arrow labeled '2' points to the 'Send' button for the first course. A 'Total courses: 5' indicator is visible in the top right of the table area.

NO.	COURSE	STATUS & CERTIFICATE	ACTIONS
1	Asbestos Awareness	Purchased	Send Start
2	Asbestos Awareness	Purchased	Send Start
3	Asbestos Awareness	Purchased	Send Start
4	Asbestos Awareness	Purchased	Send Start
5	Asbestos Awareness	Purchased	Send Start

IMPORTANT: Please do not click any Start Course button unless you plan to take the course yourself. Once you open it, the course activates on your account and cannot be assigned to an employee. After a course is assigned to an employee, it cannot be reversed or moved. Each course can be sent only once and becomes permanently linked to the chosen student.

Our platform is easy to use, well organised, and accessible to all 😊

After selecting your course and clicking **"Send Course"** a list of your registered employees will appear.

The screenshot shows the 'IRISH ASBESTOS AWARENESS' platform interface. On the left is a dark blue sidebar with navigation options: Home, Profile, My Courses, For Employers, Invoices, Certificates, and Help us improve. The main content area has a light blue background and a header with the user's name 'John Connor'. Below the header, there is a search bar and a table of employees. The table has columns for 'NO.', 'ACTION', 'EMPLOYEE EMAIL', 'FULL NAME', and 'ASSIGNED COURSES'. Three employees are listed: Eoin Gallagher, Conor Walsh, and Patrick O'Brien. Each row has a 'Send Course' button. A red box highlights the 'Send Course' button for Eoin Gallagher, with a red arrow pointing to it. A tooltip for Patrick O'Brien shows 'ASSIGNED COURSES' with a green checkmark and '1x Asbestos Awareness', and 'Total assigned: 1'.

NO.	ACTION	EMPLOYEE EMAIL	FULL NAME	ASSIGNED COURSES
1	Send Course	eoin.gallagher@gmail.com	Eoin Gallagher	0
2	Send Course	conor.walsh@gmail.com	Conor Walsh	0
3	Send Course	patrick.obrien@gmail.com	Patrick O'Brien	1 Asbestos Awareness Total assigned: 1

Clicking **Send Course** assigns the course to your employee. They will receive an email with the course details and a button to begin. You can also check their assigned courses anytime by **hovering** your **cursor** over the number. The system will automatically show how many courses they have and which ones are assigned to that student.

If your employee can't find the login email after checking **inbox** and **spam**, or accidentally deleted it, no worries! The account is already active. They can simply visit the **Login page**, click **Reset Password**, and enter their registered email to get a reset link right away. Please double-check the email address is correct. If it's wrong, just delete it and create a new account with the right one, as we can't change existing emails for security reasons. Thanks for taking a moment to verify the details.

You can open the **Employer Panel** anytime to see your **employee list** and instantly view how many courses each person has. Hover over the course count to preview the full list, and click **View** in the Action column to check an employee's exact

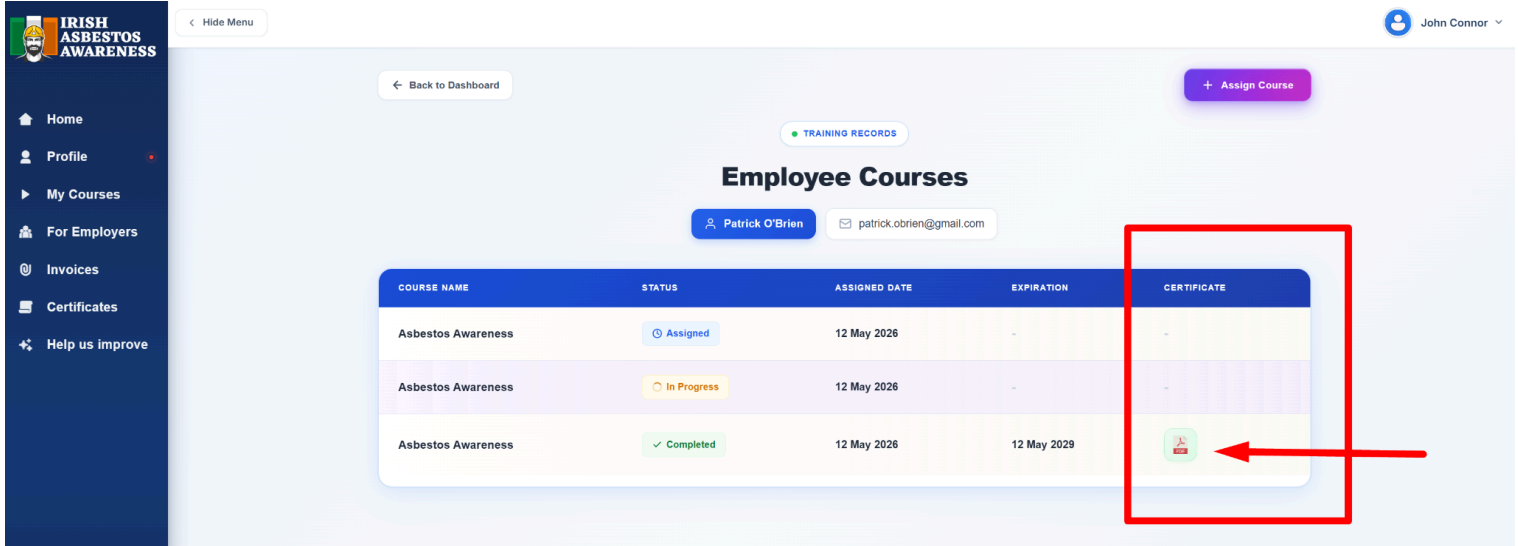

progress or **download** their certificate if they have completed the course. When managing many employees, use the top filters to quickly find what you need and stay organized.
